સિદ્ધાંત ભટ્ટ

This catalog presents the mini-collection Space Irbis, featuring 5 high-resolution thematic images designed for large-format printing, photo wallpaper production, interior decor, and textile manufacturing.

#SpaceIrbis

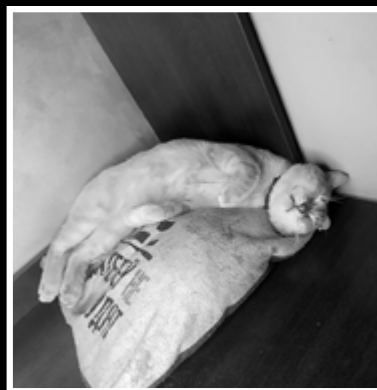

by

Once, a little Thai cat had a dream. Imagine this: I suddenly became a huge and fearsome snow leopard from the Central Asia.

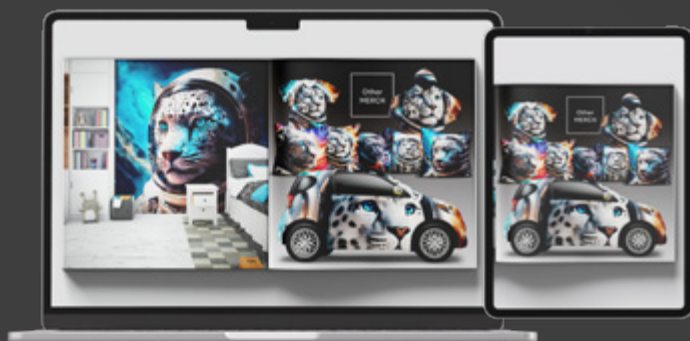

But, as usual, my “neural network” decided to add absurdity and threw me straight onto the Baikonur Cosmodrome. That’s how my “amazing” intergalactic adventures began...

Because, of course, what else is there for a little cat to do but conquer space, right?

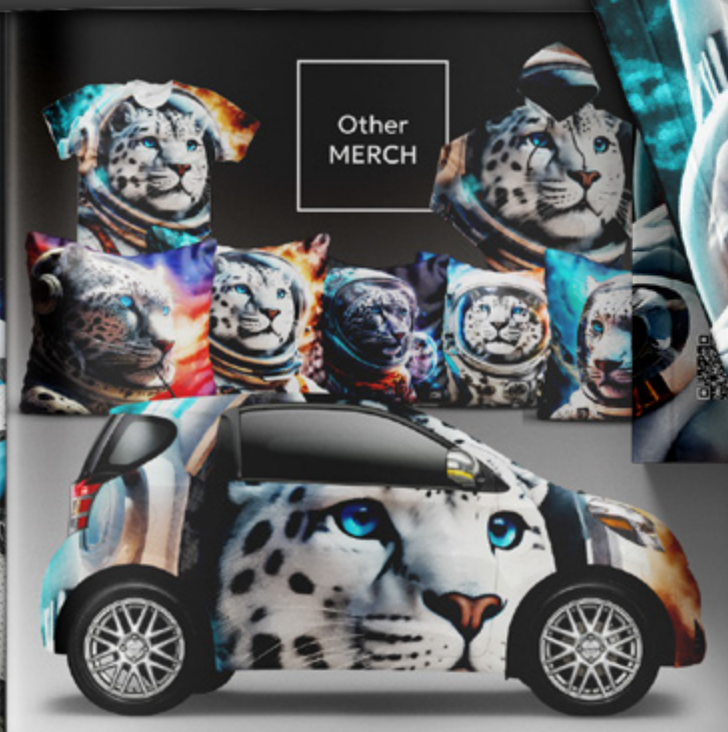

Request a high-resolution print sample - 150 / 300 Dpi

The demonstration catalog in a screen version is available for download upon request in PDF format.

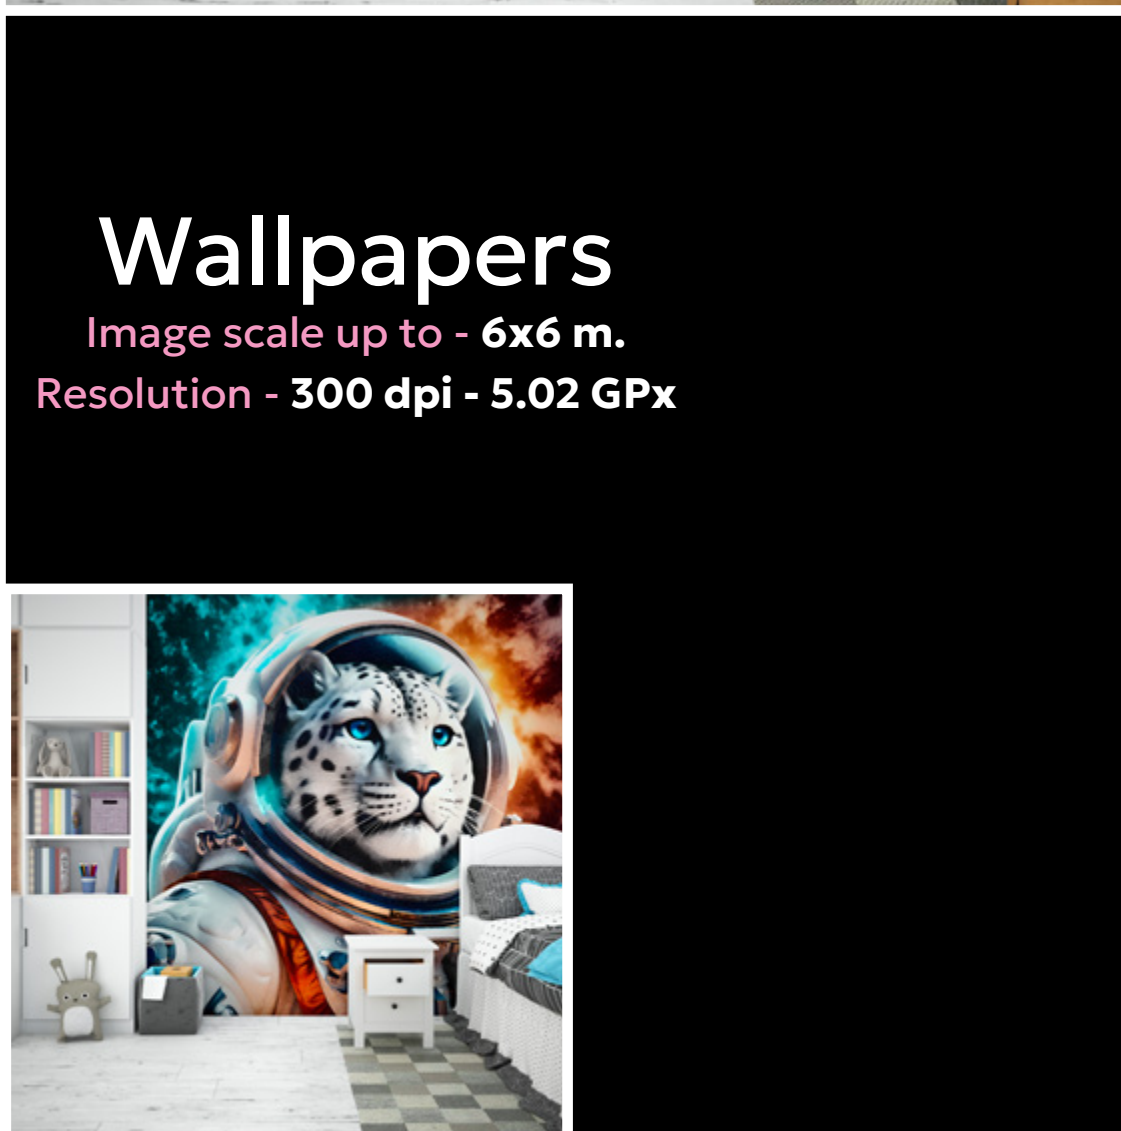

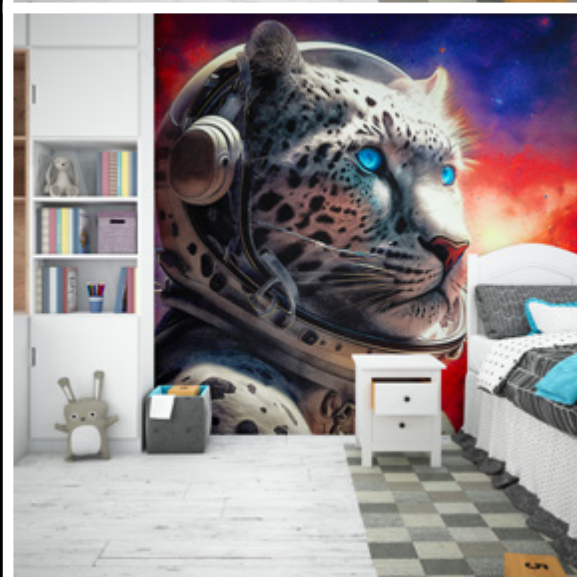

You can also purchase a catalog for subsequent printing as a sample. Resolution – 300 dpi, sRGB, PDF format.
